THE PLATFORM.

The Democratic party, in National Convention assembled, reposing its trust in the intelligence, patriotism and discriminating justice of the people; standing upon the Constitution as the foundation and limitation of the powers of the Government, and the guarantee of the liberties of the citizen; and recognizing the questions of slavery and secession as having been settled for all time to come by the war or the voluntary action of the Southern states in reconstructing Conventions assembled, and never to be renewed or reagitated; do, with the return of peace, declare,

1. Immediate restoration of all the States to their rights in the Union under the Constitution and civil government of the American people.

2. Amnesty for all past political offenses, and the regulation of the elective franchise in the States by their citizens, and the payment of the public debt of the United States as rapidly as practicable.

3. All money drawn from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, should be honestly applied to such payment, and where the obligations of the Government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and justice, be paid in the lawful money of the United States.

4. Equal taxation of every species of property according to its real value, including Government bonds, and other pub lic securities.

5. One currency for the Government and the people, the laborer and the office-holder, the pensioner and the soldier, the producer and the bondholder.

6. Economy in the administration of the Government; the reduction of the standing army and navy; the abolishment of the freedmen's bureau, and all political instrumentalities designed to secure negro supremacy; simplification of the system and the discontinuance of unnecessary boards for assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened; the credit of the Government and the currency made good; the repeal of all enactments for enrolling the State militia into National forces in time of peace; a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

7. Reform of abuses in the Administration, the expulsion of corrupt men from offices, the abrogation of useless offices, the restoration of rightful authority to, and the independence of the Executive and Judicial departments of the Government, the subordination of the military to the civil power to the end that the usurpations of Congress and the despotism of the sword may cease.

8. Equal rights and protection for naturalized and native-born citizens at home and abroad; an assertion of American nationality, which shall command the respect of foreign powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty and individual rights, and the maintenance of the rights of naturalized citizens against the absolute doctrine of immutable allegiance, and the claims of foreign powers to punish them for alleged crime committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career, after the most solemn and unequivocal pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution.

It has repeatedly violated that most sacred pledge under which was rallied that noble volunteer army, which carried our flag to victory.

Instead of restoring the Union, it has, so far as in its power, dissolved it, and subjected the States in time of peace to military despotism and negro supremacy.

It has nullified there the right of trial by jury.

It has abolished the habeas corpus, that most sacred writ of liberty.

It has overthrown the freedom of speech and the press.

It has substituted arbitrary seizures and arrests, and military trials and secret Star Chamber inquisitions, for constitutional tribunals.

It has disregarded in time of peace the right of the people to be free from search and seizures.

It has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters, without any specification or notice of affidavit, as required by the organic law.

It has converted the American capitol into a bastile.

It has established a system of spies and official espionage to which no constitutional monarchy of Europe would now dare to resort.

It has abolished the right of appeal on important constitutional questions to the supreme judiciary tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies, merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President.

Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of debt created during the war.

It has stripped the President of his constitutional power of appointment, even of his own cabinet.

Under its repeated assaults the pillars of the Government are rocking on their base, and should it succeed in November next and inaugurate its President we will meet as a subject and conquered people amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated and controlled exclusively by the political power of each State respectively, and any attempt by Congress, on any pretext whatever, to deprive any State of this right, or interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution, and, if sanctioned by the people, will subvert our form of government, and can only end in a single centralized, consolidated government, in which the separate existence of the States will be entirely ab-orbed, and an unqualified despotism be established in place of a Federal Union of equal States.

That we regard the reconstruction acts of Congress, so-called, as usurpations, unconstitutional, revolutionary and void, and that our soldiers and sailors who carried the flag of our country to victory against a most gallant and determined foe, must ever be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed widely among the people, and should be disposed of either under the pre-emption or homestead laws, and sold in reasonable quantities, and to none but actual occupants at the minimum price as established by the Government. When grants of the public lands may be allowed, necessary for the encouragement of important public improvements, the proceeds of the sale of such lands and not the lands themselves should be so applied.

That the President of the United States, Andrew Johnson, in exercising the power of his high office in resisting the aggressions of Congress on the constitutional rights of the states and the people, is entitled to the gratitude of the whole American people, and on behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard.

Upon this platform the Democratic party appeal to every patriot, including all the conservative element and all who desire to support the Constitution and restore the Union, forgetting all past differences of opinion, to unite with us in the present great struggle for the liberties of the people, and that to all such, to whatever party they may have heretofore belonged, we extend the right hand of fellowship and hail all such co-operating with us as friends and brothers.

SHOCKING DEATH OF FATHER B. J. SPALDING.

A Painful Calamity.

The City in Mourning.

Heartrending Particulars of the Accident.

From the Louisville Courier of the 5th.]

We are deeply pained to announce the death of Father B. J. Spalding of our city, from accidental burning. The particulars of the terrible affair are as follows:

It has been the custom of Father Spalding to keep a gas light, with a sliding tube, burning in his bedroom over night. It seems that at about one o'clock yesterday morning the tube slipped down and came in contact with the musquito bar. In a few moments the bed clothing caught, and when Father Spalding awoke his night clothes were in flames. He managed to extinguish the fire on his person, but not until the flesh was shockingly burned. In his terrible agony, he rushed into his bath room adjoining, and bathed in cold water, which had the effect of intensifying his sufferings. Father Bonchet, hearing his groans, hastened to the room, and found the bed clothing burning rapidly. He at once threw them out of the window, and checked the fire. Father Spalding's night clothes were burnt nearly off him, and he was writhing in agony. He was wrapped in a sheet and medical aid promptly summoned, but before the arrival of the doctors he became frantic with pain, and a second time immersed himself in the bath-tub.

On the arrival of the physicians, the proper remedies were applied for his relief, but to no purpose. He lingered in great agony until six o'clock last evening, when death relieved him of his suffering. His resort to water, no doubt, caused the fatal result.

The announcement of his death last evening, and the terrible manner in which it happened, cast a gloom over the whole city, and there was mourning in every hand. The church bells solemnly tolled, and hundreds of our citizens, bowed in deep grief, repaired to the residence of Father Spalding, adjoining the Cathedral, to mingle their sorrows with the bereaved relatives of the great and good man. The Cathedral was lit up and the throng united in prayer for the peaceful repose of the soul of their beloved priest.

The Very Rev. B. J. Spalding was born in Marion county, Ky., in the year 1811. When quite young, he, with his brother, the present Archbishop of Baltimore, was sent to St. Mary's College, then recently established under the presidency of the late Rev. Wm. Byrne. He afterwards entered the Diocesan Seminary, then established at Bardstown, where he remained for several years. In 1832 he was sent to Rome, where he finished his ecclesiastical studies in the college of the Propaganda. He returned to Bardstown in 1836 or 1837, where he filled the office of Pastor of the Cathedral congregation for several years, and was afterwards Vice President of St. Joseph's College. Shortly after the removal of the Diocesan See to Louisville, he was appointed under his brother, the present Archbishop of Baltimore—who was then Bishop of this See—Vicar General of the Diocese. This office he has filled with marked ability to the present time.

Father Spalding was noted for his goodness of heart; and his wise counsels to his people endeared him to them with that tender love which exists between parents and children. The whole aim of his life was to do good to all, and he has fulfilled his mission on earth in a manner that will ever keep his memory green in the hearts of his people. The loss of such a man is a public calamity. He was beloved by all denominations, rich and poor.

A High Mass of Requiem will be celebrated in the Cathedral at 8 o'clock on to day and to-morrow, and on Friday, at 9 o'clock, will take place the solemn funeral services. We are requested to say that the members of the various sodalities of the city are requested to meet at the Cathedral gach evening until the funeral, for the purpose of reciting the offices of the dead.

ARKANSAS.

—The Van Buren *Press* says: The river at this point is very low—so low that turtles can be seen carrying catfish across the bars on their backs.

—The *Mountain Echo*, of Fayetteville, records that for twenty years the thermometer has not exceeded 93° Fahrenheit in that locality. In July, of this year, it reached 94°. Northern cities can't beat that.

—On Saturday last, at Little Rock, a negro named James Warner murdered Mrs. Stange, the wife of Major Stange, a former Union officer, under the most diabolical circumstances. The *Gazette* of the 4th gives the particulars, and says that the negro has been arrested.

—The Fort Smith *Herald* says: Mr. Dennis Noland, an old resident of this place, but for some months past a resident of the Nation, was found dead on the commons, in the rear of Garrison avenue, on Saturday evening last.

—The Arkadelphia *Standard* of the 18th ult. says Mr. James McLure, son of Dr. W. P. McLure, living six miles from that place, committed suicide by shooting himself through the heart with a rifle.

—On the night of the riot at Little Rock last week, a Federal soldier was waylaid and shot by a negro, because the soldier hurrahed for Seymour and Blair. He has since died. Reconstruction is bringing peace and safety with a vengeance.

—The Des Arc *Citizen* says: Within the last four days we have had geheral rains, which were of vast advantage to the corn crop. There is no doubt now but this section will raise a larger corn crop than ever before.

—The White county *Record* says: On Saturday of week before last, Mr. Haggardy, living on Red river, about ten miles from this place, was thrown from a colt which he was breaking, and received such internal injuries that he died the next day.

ALABAMA.

—The President of the Loyal League at Elyton is in jail for stealing bacon.

—The Marion *Commonwealth* says there will not be half a cotton crop made in Perry county.

—The Dadeville *East Alabamian*, July 31st, reports the corn not so much injured as was anticipated.

—Judge Oliver, of Green county, refuses to surrender the Probate office, unless forcibly compelled to do so.

—The Carrollton *West Alabamian* says the rain is too late to save the corn, but just in time to ruin the cotton.

—Three negroes and two white men broke jail at Jacksonville last week. Two of the negroes and one white man have been re-captured.

—The Florence *Index*, which has been neutral heretofore, has hoisted the names of Seymour and Blair, and indorses their nomination with a strong editorial.

—The statement that the Erie Railroad Company have leased the Northern Jersey road is untrue.

—The accounts of the New York Scheutzenfest are all adjusted. The Committee of Arrangements find themselves $6000 in debt.

BY TELEGRAPH.

Noon Dispatches.

NEW YORK, August 7.—In the Court of General Sessions yesterday, John Read, the murderer of the late Officer Smedick, of the Twenty-first precinct, was arraigned to plead to the indictment. He pleaded not guilty, and was remanded for trial, which will probably take place at the October term of the Court of Oyer and Terminer.

The Schutzenfest in Brooklyn concluded yesterday, the American eagle being shot down, and the King of the Shooters crowned with all honors.

At a meeting of the Republican General Committee yesterday, the following resolution was received with such a storm of hisses that the mover at once withdrew it:

Resolved, That his Excellency Gov. Fenton be respectfully recommended to appoint Horace Greeley to the office of City Register, made vacant by the sudden death of Gen. Charles Halpin, that the salary of his unexpired term may be paid to his widow.

The celebrated Appleton divorce case came before the Supreme Court yesterday. On a motion for a stay of the proceedings pending the appeal to the Court of last resort from the general term for a decision setting aside the order granting alimony to the defendant, the Court reserved its decision.

MISSISSIPPI.

—The Oktibbeha *New Era* of the 1st says it has rained nine days in the last ten.

—J. R Naron, the Representative from Oktibbeha county, has abandoned the Radicals.

—Judge Wm. M. Hancock explains his advocacy of the Constitution, and returns to the Democracy.

—The Yazoo *Banner* of July 31st says: Crop prospects in this county are thus far very flattering. Although we have had a good deal of rain, the cotton is thus far very little injured, and with favorable weather we will undoubtedly have an excellent yield.

Burning of a Theater in Turin.

The Turin *Gazette* gives details of the burning of the Nota Theater in that city. The disaster occurred during the performance of *Crispino e la Comare*. The house was crowded and the piece had arrived at about the middle of the second act, when the scream of a woman was heard from the behind the scenes, followed by the noise of hurried footsteps and a cry of "Keep your places, it is nothing." The clothes of a female dancer had caught fire, and in her terror she had run about with her skirt in a blaze, and had thus set light to some drapery at the wings; she was, however, firmly enveloped in a linen cloth, and the flames of her dress were extinguished before she had suffered any injury. The alarm had, however, spread among the spectators, and a general rush was made for the doors; for a moment there was great danger of loss of life from the pressure, but some young men who were in the gallery above, and could see what was going on near the stage, called out the fire was over. About half the spectators then returned to their seats, while those who were nearest the door left the building. The disaster had, indeed, for a moment appeared to be at an end, as the canvas on fire had been torn and trampled under foot. But the flames had found in the painted scenes and light wood-work an aliment too favorable, and the flames again appearing the panic once more became general; screams were heard on all sides, several women fainted, many persons jumped from the windows on the staircase, and every one made for the street, leaving behind hats, shawls, umbrellas, etc. Fortunately, the theater had been partly emptied at the first alarm, and every one was able to get away in safety.

The scene outside was most curious; the spectators might be seen, some head bare and others with clothes torn from their backs, hurrying to and fro in search of friends or relatives; the actors and actresses seeking their costumes, while some of the ballet girls, who had been surprised while dressing, were between two toilets, half civil and half theatrical. The flames in the meantime had gained the pit and galleries, and, as the interior of the house was constructed of wood and canvas, any attempt to check the progress of the fire was useless; all that could be done was to prevent the conflagration from extending to the adjoining houses, and in a short time nothing but the blackened walls remained.

* * * * * * *

DEMOCRATIC COLORED MEN.

The members of the Democratic Club of Colored men can obtain from the President of the Central Club, cards that cannot be counterfeited, recommending them for employment to Conservatives. No others need apply.

We hope that hereafter, when any Democrat desires to employ a colored man in any capacity, he will ask to see his card, and if none is produced, will refuse to employ him. To employ those who have none, will be *to give aid and comfort to the enemy.*

Members of the Club desiring cards will please procure certificates of membership from the Secretary.

MARTIN KELLY,

To this committee, which is a permanent one, colored men holding cards, and needing work or relief, will apply, and be registered. To the same committee it is hoped that those Democrats who want to employ colored men, will apply.

ALBERT PIKE, President
Central Democratic Club.

August 7, 1868.

STOKES.

In the discussion in the House of Representatives on Thursday last, on the question of bringing to an end this session of Congress, Mr. Stokes, (Radical) of Tennessee, earnestly pleaded against an adjournment until the new authorities of the reconstructed States shall have been provided each with a certain quota of arms proposed for their defense against the Kuklux Klans and the unreconstructed rebels generally.

Stokes—Then I will express my own opinion, and my own opinion is, that facts which I am in possession of, show, that unless the people have arms in the Southern States the Union men, white and black, will be overrun; and I say that it is the duty of Congress to stay here until this measure is put through. My people are expecting every moment that Forrest and his Rebel Democratic crew will commence making war upon them. We were entitled to 10,000 stand of arms in my district, and the requisition was made for that number by the Governor, but only 2000 stand were furnished, and we to-day demand the other 8000 stand of arms. This is a matter of life and death to us. I am satisfied of the fact that we will need these arms at the South at a very early day. The war cry has gone forth; the Rebels say they will rule the country or exterminate the colored Union men, and, for one, I am disposed to meet them.

Mr. Washburne, of Illinois, was afraid of this thing—afraid that the arms which might be sent down to the loyal negroes would be seized by the rebels.

Mr. Boyden, of North Carolina, (one of the new members from the South), was alarmed at this proposition to send arms to his people to be used against each other. "Great God!" he exclaimed, "we cannot afford to fight each other. Keep away your arms. Do nothing to irritate our people, but everything to assuage and heal the excitement. I warn the House if arms are sent there we shall be ruined—we cannot live there. If we need anything in the shape of arms, in God's name send us the army of the United States; but, do not arm neighbor against neighbor." This has the ring of good sense and honest conviction. But another Republican member from North Carolina, Mr. Deweese, was not of this way of thinking. Said he: "Some provision should be made for the governments of the new States and for the protection of their loyal people, otherwise the rebellion will be reestablished. If Congress adjourn now, before the end of six months the last traces of Republican governments in the South will have ceased to exist, and the Kuklux Klan, the rebel, the slaveholding, copperhead Democratic party will be ruling there as they ruled in 1865." Further, as the skirmishing debate went on, Mr. Deweese declared: "Under the rule of the Democratic party from 1861 to 1865, every musket, shot-gun and horse-pistol was taken out of the hands of loyal men and put into the hands of Southern sympathisers." But with his fearless war-cry of "Come on! come on!" Mr. Deweese, arms or no arms, signified that he was ready for the fray.

Stokes demands eight thousand stand of arms. He snuffs war in every breeze, and is accoutred and harnessed for the fray. He, for one, is disposed to meet Forrest and his rebel Democratic crew. He has returned to Tennessee, in company with Mullins, and we may now look for war. The pious and amiable Brownlow gravely proposes to the Legislature of Tennessee to outlaw all members of all secret organizations that are not truly loyal, and authorize any negro who meets one of them, to slay him. And a Radical journal in Memphis, because some fifty masqueraders lately paraded at midnight in silence through our streets, notifies the people that State troops will be stationed here, to subsist upon the people, only the truly loyal of whom shall be paid for feeding them.

Truly an excellent party, to ask for the votes of honest and intelligent men!

THE IRISH CATHOLICS.

The New York *Tribune* says:

Mr. Theodore F. Randolph, the Democratic candidate for Governor of New Jersey, is a wealthy and respectable citizen, who was a zealous Whig so long as the Whig party endured, then became a Know-Nothing leader, and so remained until 1860, when he was nominated by the Know-Nothings for Senator from Hudson county and elected by a "fusion" of all parties opposed to Lincoln. He will now receive the votes of nine-tenths of the Irish Roman Catholics in the State—who will support him all the more heartily for his efforts to proscribe and denaturalize them.

The Irish Catholics of New Jersey will act a generous and patriotic part. Feeling that in the great controversy with Jacobinism, the vital principles of constitutional liberty are at stake, that only by defeating that faction can the Constitution itself be preserved and republican government perpetuated, they are willing, for the country's sake and their own sake, to forget all former issues and unite with those, even if they *were* once of the American party, who are opposed to military despotism and military commissions, and in favor of securing to all men the privilege of the writ of habeas corpus and trial by jury. They see a country ruined by enormous and unnecessary and unconstitutional taxation, bondholders exempt from it, and the laboring man loaded with a burthen too heavy to bear, he at last paying the accumulated taxes on all that he consumes.

They see a government maintained by corruption, and buying white and black votes with the moneys of the people. They see the moneys wrung from them expended in maintaining negroes in idleness and educating their children. It would be strange if, remembering Ireland's sufferings for three centuries, they did not sympathise with the oppressed South, be unwilling to see negroes making laws for them in Congress, determine that the sewers of public corruption should be cleansed, and forget the old past issues and errors, in the magnitude of the questions involved in the struggle for the Presidency. We thank the *Tribune* for assuring us of their conservatism in New Jersey.

BOLD BANK ROBBERY.

A Depositor Robbed of $700 in the First National Bank.—The Thief Captured through the Instrumentality of a Newsboy.

From the Chicago Tribune, August 2.]

The numerous robberies of recent occurrence in this city, perpetrated at the expense of depositors in the various banking institutions, give rise to a fear that a screw is loose in some quarter. Either the police are at fault for not looking after such scamps as perpetrate the thefts, or the conclusion must needs be arrived at that thieves in Chicago are sharper than the detectives. However this may be, the frequency of the peculiar and successful species of robbery spoken of is certainly becoming alarming. The latest case of the kind occurred yesterday, resulting in the capture of the thief; not, however, through the shrewdness of a detective, but that of a newsboy.

The scene of the deed was the First National Bank, at the southwest corner of Clark and Lake streets. A gentleman named James Smythe, a resident of this city, at one o'clock yesterday afternoon entered the bank for the purpose of transacting business. He was in the act of depositing the sum of $700, in bills of large denomination, which he laid on the desk at his elbow. While conversing with the clerk at that moment, a thief tapped him on the shoulder, thus diverting his attention from the money, which quickly disappeared. The thief was seen to dart out at the door with the greenbacks in his hand, and was quickly followed by the victim, Mr. Smythe, and a number of others who witnessed the daring maneuvre of the scamp. He ran rapidly down Clark street amidst confused noises, distinguishable among which were the exclamations "Stop thief!" "Nab him!" etc. Men, women and children were thrown to the sidewalk as he jostled against them in his hasty flight, dodging to the right and left when necessary to avoid collision, and rudely pushing into the gutter every one that essayed to stop him. A little newsboy, standing in front of the Sherman House, heard the clamor and understood the situation. The panting fugitive, elbowing his way through the crowd at a fast pace, ran against the little fellow and half brushed him into the basement of the building. The juvenile vender of the daily news was too much for him, however, for throwing himself headlong upon the pavement in front of the thief, he abruptly closed the race. The precious greenbacks took to themselves wings, and a few of them were lost in the throng of eager, excited people. The exact amount recovered could not be learned, owing, principally, to the dogged reticence of the police. An officer took charge of the prisoner and escorted him to the armory. An immense concourse of bootblacks, newsboys, and curious adults followed in his wake, thus constituting a vanguard, and not until he was safely incarcerated within the musty recesses of the bastile did quiet reign. Upon being questioned regarding the robbery, it is said, the captive at first refused to give the slightest satisfaction. It is supposed that he had an accomplice who was instrumental in affording him escape, and upon this point he was closely interrogated. Nothing of a character which will serve to aid the detectives in their search for others who may have been concerned in the theft was learned from him, and he was locked up. His case will probably come up for examination at the Police Court to-morrow morning.

—There is considerable excitement over newly discoveries of silver veins fifteen miles west of Georgetown, Colorado, said to exceed in richness anything yet discovered. The surface ore is said to assay one thousand dollars per ton.

—The Postmaster at New Orleans is charged at the Postoffice Department, with being in default to the extent of forty thousand dollars. The Government will hardly lose anything, as the bondsmen are believed to be good for the amount.

—The arrival of several lots of infected cattle at the Central yards is creating considerable excitement in Pittsburg. Out of three lots—two of which were shipped at Chicago and one at Fort Wayne—between sixty and seventy head have died, and it is thought that others will die. These cattle, or a portion of them, were en route for New York and belonged to Alexander, the well-known cattle king, and Messrs. Horst & Graff, drovers. The Pennsylvania Railroad Company refuses to forward these infected cattle.

—The Democrats of the Twelfth District of Ohio, have nominated Hon. Van Trump to contest the race against the Radical, N. J. Turney.

BOSTON, August 7.—Gen. Butler announces himself a candidate for re-election. Schooler, whom Butler had removed from the Adjutant General's office here.

SAN FRANCISCO.

SAN FRANCISCO, August 7.—Late Arizona intelligence states that Indian outrages are numerous. It is confidently asserted that the depredations which are committed are done by savages who are drawing rations from Fort Goodwin. The Indians had made a raid on the corral near Fort Grant, and had also killed one man and captured some women and children near Telison. The troops from the different forts were out in pursuit.

PHILADELPHIA.

PHILADELPHIA, August 7.—Night before last some burglars attempted to enter a house in the western part of the city, but were frightened off by a boy seventeen years of age, who got a gun and threatened to shoot them. Last night the boy was on the watch, and the men returned and made another attempt to enter, when the boy fired, killing one of them named Sweeney, blowing his liver entirely out of his body.

NASHVILLE.

NASHVILLE, August 7.—The *Union and Dispatch* published a charge this morning that some white and negro Radicals had entered into a plot to burn Nashville, Murfreesboro, Columbia and Pulaski, and to murder the women and children.

At a meeting of the citizens this afternoon, a committee was appointed to wait on Mayor Alden and ask an investigation of the charge. The *Union and Dispatch* says it can give the names of some of the party. It is supposed that some crazy fanatics are at the bottom of the plot, if it really exists.

WASHINGTON.

WASHINGTON, August 7.—The Director of the Statistical Bureau reports the aggregate domestic exports for the last fiscal year at $352 616,008, an increase over the previous year of $18,146,890.

A gas main in the capitol under the center of the dome, in what is known as the Washington crypt, exploded this p.m. with very great force, bowing out all the heavy frame work surrounding, and tearing all the doors and frames and windows to splinters and scattering them through the basement. Lincoln's funeral paraphernalia was burned in the crypt. Nobody injured.

ALABAMA.

MONTGOMERY, August 7.—House today, by seventy-three to thirteen, passed the Senate bill removing disabilities from all persons not allowed to vote by State Constitution. In the Senate a bill was passed by fourteen to thirteen, which neutralizes this by taking away from the people the right to vote for Presidential Electors and giving it to the Legislature. It was sent to the House immediately, where it was made the special order for to-morrow at ten o'clock. The bill will undoubtedly pass. Dispatches from the recently elected Senators were received to-day advising this course.

ST. LOUIS.

ST. LOUIS, August 7.—A special from Sedalia to the *Democrat* says it is reported there by several citizens from the southwest part of the State that the Sheriff of Benton county, assisted by his brother and two other men, attempted last Saturday to arrest several notorious desperadoes known to belong to the Kuklux Klan. The Sheriff, his brother, and perhaps one of the other men were killed, and the desperadoes escaped.

An Omaha dispatch says sixteen car loads of Mormons passed there yesterday for Utah.

The Nebraska Democratic State Convention yesterday nominated R. J. Tafleton for Congress. James R. Porter for Governor, and A. J. Ware for Treasurer. Resolutions were passed denouncing Congress for imposing negro suffrage upon Nebraska, and indorsing the platform of the National Democratic Convention.

NEW ORLEANS.

NEW ORLEANS, August 7.—In the House yesterday, a protest from two Democratic members just ousted was offered, with a motion to spread on the minutes. The protest was returned to those offering it by a vote of 45 to 14.

Warmoth's letter to the President has completely eradicated the good feeling toward him on the part of the Conservatives which his speech to the crowd on Canal street created.

In the Senate to-day, Senator Jewell offered a resolution that a committee of three be appointed to wait on Gov. Warmoth and ascertain from him the time and place of the 150 murders which he says have been committed in the past six weeks; also to obtain the letter of District Attorney Hudspeth, alluded to, which charges the indiscriminate murder of women and children in the eighth judicial district. Jewell followed his resolution with an intensely bitter speech upon the action of the Governor, in the course of which he stated five hundred and fifty stand of arms were known to be in the building opposite the State House, occupied as headquarters of the Republican party. Jewell also stated that as no law of Louisiana provided for the Governor's staff, with military rank, Lt. Col. Dean, bearer of the letter, must be Lt. Col. upon his staff as Commander-in-Chief of the Grand Army of the Republic, there being as yet no militia organization. Warmoth in his enumeration of secret military, but ostensibly political organizations neglected to mention the Loyal League and the Grand Army of the Republic, of the latter of which he is head in this State. Of the same organization the *Republican*, newspaper, in its issue of July 24 ultimo, said it numbered 10,000 trained soldiers in this city and vicinity, and that on that date but half an hour's warning was needed to put 3000 of those men on Dryades street, on which the State House is located, ready for service.

Jewell's resolution was referred to a joint committee on the condition of civil affairs, where it will probably die.

SARATOGA.

SARATOGA, N. Y., August 7.—The weather is delightful and the track is in fair order, with a full attendance.

The first race, dash of one and a half miles, three year olds, for a purse of $500, was won by Sundown, who led throughout. The betting at first was even on Vauxhall against the field. The horses came home with Sundown ahead, Boaster only a neck behind, Vauxhall lapped with Boaster, Lizzie Rogers a length behind and the rest scattering. Time—2:45.

The second race was for the Saratoga stake, $50 entrance fees, $100 added—three-quarters of a mile for two year olds. This was very exciting. The race resulted in a dead heat between Morris' filly by imperial Eclipse, dam by Slasher, and McDaniel's filly by Oakland, out of Leisure by Red Eye. Time—1:19½. Second heat—McDaniel's Oakland led throughout. Time—1:21½.

Third race—sweepstakes, $50 entrance, $600 added for all ages, to carry 100 pounds two and a half miles—was won by B. McDaniel's b.h. Red Dick, which led almost from the start. Time—4:39½

BURGLAR KILLED.

At ten minutes to twelve o'clock last night, as a negro burglar, name unknown, was attempting an entrance into the shop of Daniel Garibaldi, No. 97 Jefferson street, Mr. Garibaldi shot him in the head and instantly killed him. The same man made an attempt to enter Mr. Garibaldi's house about a week ago.

THANKS to Bob Wardlow and his band for a serenade last night.

THE HOWARD ASSOCIATION have a meeting this evening, for the installation of officers. See their card.

THE WEATHER.—The heat and dust of the past two days were most agreeably laid yesterday, by a fine shower, about 1 o'clock.

REV. DR. WM. J. BARBEE, of Mississippi, formerly of Memphis, is in the city, and will preach at the Linden street Christian Church, to-morrow (Sunday) at 11 a.m. and 7 p.m.

ADVERTISERS wishing to avail themselves of the benefits of the large extra edition always printed of the SUNDAY APPEAL, are requested to hand in their favors as early in the evening as possible, and not later than 8 o'clock.

ACCIDENTAL SHOOTING.—A young man, whose name we suppress by request, got into an altercation with a negro, yesterday afternoon, on the corner of Fourth and Poplar streets, during which he drew a revolver. By some unexplained means, all six chambers exploded at once, and tore his left hand off at the wrist.

THE FIGHTING MEN of the late C. S. A. are earnestly and urgently requested to be present at the Greenlaw Opera House to-night. Let us show the people that we who bore the hardships and did the fighting, in the late war, are now for peace. Every man who was in the field should be present, if possible.

HUNG BY THE KUKLUX.—The Radical evening paper has the following. The whelp who wrote it knew he was lying when he did so:

We learn that a colored man was hung up by the neck by the Kuklux at Mason's depot. His crime was attending the Brownsville convention.

SAD ACCIDENT.—As one of the large wagons of the Nicholson pavement contractors was turning the corner of St. Martin and Linden streets, laden with blocks, yesterday, about half-past one o'clock, a little negro boy, whose name we could not learn, fell off the seat, and the wheels passed over one of his ankles, crushing it most horribly.

INTERESTING CEREMONY.—St. Peter's Church will be the scene to-morrow morning of a very interesting and beautiful ceremony—seven young ladies of St. Agnes will receive the habit of the Dominican Sisterhood. The services will commence at ten o'clock, or a half hour before the usual time of high mass, and will be conducted by the very Rev. Father Kelly, assisted by Father O'Brien, Fortune and Lynch.

COMMISSION FIRM.—Messrs. Dashiell & Hilliard, 296 Front street, commission merchants, are in the field for the coming business campaign. Mr. E. Dashiell, the senior member of the firm, is one of the oldest and most reliable of the Memphis merchants, and always attends to business on the square; while his partner, Mr. Hilliard, is prompt, active, and worthy to be associated with his more experienced partner.

A HIDEOUS SPECTACLE.—On the river banks, between Vance and Butler streets, half buried in the mud and ooze, are three open boxes, each containing a ghostly, grinning human skeleton, from whose bones the flesh has not rotted. We understand they are the remains of three young men, whose bodies were buried there about a year ago, during the low water. Last winter's freshet washed the earth away from them, and there they lay, in all the disgusting hideousness of putrifying humanity. Will the authorities have them buried? It should be done—and done quickly.

A LULL.—Thank Heaven! there reigned comparative quiet in Warsaw yesterday. The storm of drums, trumpets, and all other varieties of concrous metal, which for weeks past has raged with an unexampled fury, blew itself out day before yesterday—the last dying toot coming from the nigger Masonic procession. Yesterday was remarkable as the most quiet that the city has enjoyed for weeks—there having been not even a meeting of the Board of Aldermen to attract the attention of the item hunters.

THE IRREPRESSIBLE CONFLICT.—Every day we hear from citizens who live in the suburbs of the drilling of armed squads of negroes at night. Again we warn the black hearted scoundrels who are deluding and leading the ignorant negroes into what will surely result in their extermination if they commence it, to desist from their infamous work. They had better heed the warning; the people are in no humor to be trifled with. If trouble does ensue here, it will be far better for them had they never been born.

PERSONAL.

—We regret to learn that Mr. Josiah B. Hobday, the accomplished flutist and musician, is about to leave our city for St. Louis. We hope that he may better his fortune by the change, but are sorry to give up the pleasure of listening to his sweet music.

—Mr. Wm. Gay returned yesterday from a trip North, where he has been laying in a mammoth stock of plantation supplies, which are now being opened at his new store, No. 310 Front street. We are indebted to him for late Northern files.

THE CAMPAIGN.

McNairy Wheels into Line.

Meeting at Purdy on the Third Instant.

On Monday the 3d day of August, 1868, according to previous arrangements, there was a meeting of the Democracy of McNairy county at the courthouse, in the town of Purdy, for the purpose of ratifying the action of the National Democratic Convention at New York, and for the purpose of appointing delegates to the District Convention at Brownsville.

The house being densely crowded with the intelligent yeomanry of the county who were anxious to take some part in the great work of reformation going on all over the State, on motion, J. F. Huddleston, Esq., was called to the chair, and James W. Pace, Esq., chosen Secretary. The Chairman delivered a forcible and eloquent address upon the issues now pending before the country, which was listened to with marked interest and attention, at the conclusion of which the following resolutions were presented and unanimously adopted.

Resolved, That the Democracy of McNairy county, do most emphatically indorse the action of the National Convention, in the nomination of Horatio Seymour for President and Frank P. Blair for Vice President, and pledge themselves to the support of the platform of principles adopted by said Convention.

Resolved, That the Democracy of this county do most earnestly pledge themselves to the maintenance of peace and good order, and to the hearty support of the civil officers in the faithful execution of the laws, and we regard any act tending toward the organization of a military force to be stationed in this county as unjust, unwarrantable and unpardonable by the great mass of the people.

Resolved, That the removal of political disabilities from the white men of this State, is earnestly recommended to the Legislature now in session.

Resolved, That entertaining the highest regard for the patriotism and ability of our fellow-citizen J. F. Huddleston, Esq., we recommend him to the favorable consideration of our brethren at Brownsville as a fit and well qualified candidate for Congress in this district, and we also recommend S. L. Warren, Esq., of Memphis, as the Elector for the District.

The following named gentlemen were appointed Delegates: J. F. Huddleston, J. W. Pace and Wm. McCullar, and in case they fail to attend the Convention S. L. Warren is requested and empowered to cast the vote for this county.

Resolved, That a copy of the proceedings of this meeting be furnished the APPEAL and *Avalanche* of Memphis, for publication. The Convention then adjourned *sine die*.

J. W. PACE, Sec.

ST. AGNES ACADEMY.—By an advertisement in another column, it will be seen that the Sisters who are in charge of this institute have determined to extend the advantages of their unequaled system of education to a class that have hitherto been to a certain extent debarred of it, and at the ensuing session, which commences on the first Monday in September, they will receive day scholars. Those who have paid any attention at all to the educational institutions of our city, will bear us out in our assertion that the system of the sisters of the order of St. Dominic, as carried out and exemplified in the various schools and seminaries in our midst, which are under their charge (such, for instance, as St. Agnes and La Salette), stands unrivaled. We had the pleasure some time since of being shown through the grounds and buildings of St. Agnes, and came away impressed with the thought that if there were a paradise on earth, where true happiness might be obtained and enjoyed, it was there, in the peace and quiet of its beautiful shades.

TRIBUTE OF RESPECT.—At a called meeting of the Bluff City Base Ball Club, we, the undersigned committee, appointed to draft resolutions expressive of our regrets upon the death of our worthy member, Thomas Kinna, adopted the following resolutions:

WHEREAS, It has pleased Divine Providence to remove from among us our friend and fellow-member, Thos. Kinna, be it

Resolved, That we deeply sympathize with his family in the bitter loss they have sustained.

Resolved, That in token of our regret at his death we wear the usual badge of mourning for thirty days, and engage in no match game of ball for the same period.

Resolved, That this tribute of respect be spread upon the minutes and published in the daily *Ledger* and APPEAL, and a copy of the same be sent to his bereaved family, as a token of our respect for our worthy member.

C. B. DAVIS,
JOHN D. NICHOLS, } Committee.
THOS. H. BURKE,

THE Committee appointed to make arrangements with the railroad for conveying delegates to and from the Brownsville Convention, would state that delegates can leave Memphis on regular train on the 10th, at 7 o'clock a.m., reaching Brownsville at 10 a.m. A special train will then be provided to return, leaving Brownsville at 5:30 p.m., the same day, charging half fare for round trip.

ORTHOGRAPHIC.—The following beautiful specimen fell into our possession, no matter how. It illustrates most beautifully the fitness of "H. C. Carter, J. P.," for the position he occupies, and shows that he is most eminently fitted to be one of the leaders of the scalawag party:

SHOOTING AFFRAY.

Another Probable Tragedy.

Two men named McKinna and Johnson, builders, have been for some time past engaged in building a house on Dunlap street, near the head of Adams. Some ill feeling was caused between them a few days ago by a matter of business, and this resulted in a violent quarrel yesterday morning, at the new building. McKinna left the building and returned about one o'clock armed with a small Smith & Wesson's repeater, with which he attacked Johnson, firing one shot at him, without effect, however. Johnson retreated and armed himself with a double barreled shotgun, and when McKinna again attempted to attack him fired on him, felling him to the earth and completely plastering him with buckshot—no less than twenty having struck him.

Dr. Keller was called in, and the wounds examined. Strange to say none of them are considered necessarily fatal, or even dangerous; though with the present warm weather a very slight wound may produce death. No arrest was made up to six o'clock p.m.

MEETING OF THE CONSERVATIVE CLUB OF COLORED MEN OF THE FOURTH WARD AT STILLMAN HALL. A large and enthusiastic meeting of colored men was held at the Stillman Hall last night. Some three hundred colored men were present. Mr. John F. Harris, the colored Conservative orator, delivered a splendid speech of over two hours' duration, exciting the utmost enthusiasm in his audience. He was followed by Marengo Johnson in a good speech, full of sound advice to the colored men. Loud calls were made for Gen. Forrest, who appeared and made a forcible address, informing the colored men who were their best friends, and of the designs of the Radicals to plunge the country into a war of races. He informed them that the Southern man was the true friend of the black race, and if the scalawags got them into trouble the black man would have to do the fighting, while the scalawag ran away, as usual. He advised them not to be seduced into joining Loyal Leagues, or other secret societies, but to go to work and become industrious, and vote the Democratic ticket. When the white people become free, through the aid of the colored man, then all would be at peace, and the Conservative man would protect them in all their rights. He would protect them, and every honest Southern man would do likewise. Gen Forrest spoke about an hour, and was loudly applauded. Several other speeches were made during the evening. Bob Wardlow's brass band discoursed sweet music, playing all the national airs. The Colored Conservative Club may be put down as a success.

THE COURTS.

CRIMINAL COURT—*Wm. Hunter, Judge.*—On yesterday the following business was transacted:

In the case of the State vs. Charles Henderson, indictment for larceny, a *nol. pros.* was entered by the Attorney-General.

In the case of the State vs. Joseph Harris, larceny, the indictment was abated, the defendant having died in jail.

In the case of the State vs. Richard Maher, found guilty a few days since of assault and battery, and fined fifty dollars, the defendant was discharged from jail, he having taken the insolvency or pauper's oath, which, under the statute, acts as a release.

In the case of the State vs. Lewis Cross, indictment for house-breaking, the argument was concluded last evening. The Jury found the defendant "guilty," and fixed the period of imprisonment at ten years in the penitentiary.

To-day motions for new trials, and in arrest of judgment, will be heard. Judge Hunter will render his decision on the motion for new trial in the case of the State vs. Sam Moody et al., and in the case of the State vs. John Cosgrove, all of whom were recently convicted of murder in the first degree. A decision will probably be given in the case of the State vs. P. D. Beecher, indictment for embezzlement, on motion to quash the indictment.

The following calendar of cases will be tried next week:

71 The State vs A. Marre, murder.
77 The same vs Jerre Wood, murder.
41 The same vs Joseph Spellman, larceny.
50 The same vs Dick Folwell, larceny.

CHANCERY COURT—*A. Alston, Clerk and Master.*—The Clerk and Master will take an account to-day in the case of Butler vs. Johnson.

The clerk requests all attorneys who have files of papers belonging to this office to return all *old* and *new rule* papers immediately, in order that the hearing docket for the next term may be made up properly. It is to be hoped that this request will be attended to by attorneys.

MESSRS. W. B. WIGGS & CO.:

Gentlemen: For several years I was troubled more or less with Piles, for which complaint I was treated by the best physicians to no purpose; indeed, I gradually became worse, until at last I began to despair of relief from any source. While in this condition I was recommended to try your Buckeye Salve. Making up my mind to try it, I am now happy to say that it had the desired effect, as I am now well and hearty, for which I am indebted to your wonderful remedy. Yours, truly,

FINANCIAL AND COMMERCIAL.

OFFICE OF THE DAILY APPEAL,
MEMPHIS, August 7, 1868.

The banks report money easy to day with no diminution in the business call for loans, both on collaterals and good mercantile paper. Nearly all our moneyed institutions are doing a little in the way of loans, and it is hoped that the worst of the season has gone by. From the country the reports which reach us are generally favorable. A letter from Pine Bluff to the mercantile agency of R. G. Dunn & Co., of this city, is but the counterpart of several others received by us and others from various sections. The letter says: "For ten years there has not been more auspicious prospects for a very large crop in Arkansas than this fall promises. The consequences of this is, that there will be more money here than there has been at any time since the war. The farmers will be enabled to pay up their indebtedness to the merchants, and they will be rather flush early in the season."

Balances show some improvement over last month, and collections were better than anticipated. The demand for exchange is improving, while the offerings remain light. The buying rate on New York is steady at par to ¼c premium, while there is some variation in the checking rates, which are 3 10@¼c premium. Selling on New Orleans, St. Louis, Nashville, Louisville and Cincinnati at ¼c premium.

Bonds and stocks are nominal. The demand for money for business purposes has caused some diminution in the demand for securities of all kinds, and we could learn of no sales to report. City bonds were offered at 52c without buyers.

Gold opened in New York at 148¾ and closed at 147¾c. We quote at 145@146c buying. Selling at 147c.

The New York stock exchange quotations at noon to-day were as follows: Coupons of '81, 15¼; do '62, 14½; do '64, 10½; do '65, none; do new issue, 8½; do '67, 8½; 10-40s, 9½; 7-30s, both series, none; Government bonds, steady; old Tennessee, —; new, not quoted; gold loans, 8½; sterling exchange has declined 10@10½.

City scrip is dull, there being no demand. Brokers are generally indifferent, having, we presume, enough of scrip and ledger balances on hand to supply the wants of applicants. We quote at 70@72c buying. Selling at 76@80c.

There is a better demand for Police scrip. The taxes on privileges are falling due in many cases. Holders ask 72c to-day, while brokers will not sell under 75c.

County warrants are in moderate demand at 50@54c. Selling at 55@58c.

The Liverpool cotton market to-day was steady at the opening; Uplands, 9½@9¼; Orleans, 9½@10¼, and closed steady at unchanged quotations. Sales, 10,000 bales; week's sales, 68,000 bales; for export, 11,000, and to speculators 8000; stock, 581,000 bales, of which 249,000 is American; afloat, 703,000 bales, of which 8000 is American.

The New York market opened dull and nominal; Middlings, 29c; other grades unchanged and closed dull at same quotations.

A sale of 8 bales occurred in this market. The list ran about strict Low Middlings and was taken at 27c. Two bales of batting cotton was also sold at 29c. The stock yet unsold will not reach ten bales.

MISCELLANEOUS.

Capt. John B Davis, alives to the wants of his patrons on White river, and in Arkansas generally, has purchased the splendid side-wheel passenger packet, Mayflower, for the Memphis and White River Packet Company, and will have her here in a few days to enter the trade in place of the "Old Reliable." To Capt. Davis, Memphis, as well as the people of Arkansas, are indebted for now having two of the finest packets leaving this port. The Mayflower is a new boat, built last season, thoroughly fitted out in every respect, and has been purchased at a cost of $40,000. Capt. Davis has also bought the little packet, E. W. Brooks, now running in upper White river, and will, after giving her a thorough overhauling, continue her in the upper White, Black and Little Red river trade, in connection with his line of large steamers. The price paid for the latter boat was $4000.

The gay and elegant steamer, City of Alton, Capt. Wm. Thompson, backs out at her regular hour to-day for Cairo and St. Louis. It is not necessary for us to commend Capt. Bill to travelers. He has a reputation as long as the Mississippi, and stretches out as far as its longest tributary. Mr. Jim. White is Clerk of the Alton.

The Mary Forsyth, which now belongs to the Packet Company, enters the St. Louis and Memphis trade, leaving here on Tuesday next. This gives four boats per week in the line instead of three.

The fine U. S. mail steamer Julia, Capt. Lockhart, will pass down for Vicksburg and the bends to-day at noon. She lands at the Star wharfboat.

The Mollie Able passes down for New Orleans to-day.

The Rubicon passed up ahead of time yesterday. She had a fine trip.

The fine U. S. mail packet Liberty, Capt. Jim Rice, backs out to-day for White river. She connects with the railroad at Devall's Bluff. The Liberty is one of the regulators of White river time, and Milt Harry, her chief purser, is one of the boys. Charley Sharpe is mud clerk.

Capt. E. A. Levy returned home yesterday, having caught a cold and inflamed eyes while absent. With careful watching and regular

POPULAR WORKS ON FREEMASONRY

PUBLISHED BY THE

MASONIC PUBLISHING

—AND—

MANUFACTURING COMPANY

432 Broome Street, New York.

LITURGY OF THE ANCIENT AND ACCEPTED Scottish Rite of Freemasonry, for the Southern Jurisdiction of the United States. By Albert Pike, 33d. Sov. Grand Commander. 8vo. Splendidly illustrated with Chromo-lithographic plates and numerous wood engravings, Part II, 4th to 14th degree, $5 00.

☞ It would perhaps seem unnecessary after giving the above title-page to say anything further in the way of recommendation. The name of the author should of itself be a sufficient guarantee of its worth. Ill. Bro. Pike, by his learning and contributions, has done as much to elevate the standard of Masonic literature and extend a knowledge of its symbolism, ethics and history as any other living man. This book, in its particular department, may justly be considered a master-piece, embracing matter not only useful to the Masonic student of every grade, but to men of science in the highest literary field of the present age. Notwithstanding the immense labor involved in the preparation of a similar character, yet to Bro Pike alone is due the honor of first exploring this branch of Masonic literature and developing to the admiration of the craft its vast storehouse of knowledge and beauty. This work contains the degrees of the Ancient and Accepted Rite from the fourth to the thirty-second inclusive, is elegantly illustrated with chromo-lithograph engravings, showing all the jewels, costume, furniture, etc., belonging to each degree. No expense has been spared in getting it up, and it is without doubt the most elegant, as well as one of the most useful books, ever offered to the Fraternity.

Published and for sale by the Masonic Publishing and Manufacturing Company, 432 Broome street, New York, and Booksellers generally in the United States.

☞ Copies of the above for the Memphis Brethren are ready for delivery at the Editorial Rooms of the APPEAL, 14 Jefferson street, upstairs. 1w tan29

Pratt's Southern Made Cotton Gin

THIS GIN is regarded by planters who have used it, as the best for sample, picking the best clean and lint right; draughts from prevailing bottom lands are requested to examine the Eureka Gin at Carrington & Howell's, 268 Front street. It will pay for itself in ginning fifty bales. A. N. Gunnison, manufacturer of the Steel Comb Gin before the war but now a planter, gives the following certificate:

"MEMPHIS, TENN., January 31, 1868.

"I take pleasure in recommending to planters cultivating Cotton on bottom lands of the Mississippi, Arkansas, White and St. Francis rivers, the Eureka Gin, made by Daniel Pratt, of Alabama. This Gin separates the hulls, bolls, etc., from the seed Cotton, makes a good sample, and is superior to any other Gin for bottom lands. I have used one myself on a farm in Washington county, Miss., and it operates well and gives entire satisfaction in every respect. A. N. GUNNISON."

Orders for Gins, from 40 to 80 Saws and Gum Belting, at Factory Prices, addressed to the care of FARRINGTON & HOWELL, 268 Front street, Memphis, promptly filled. Presses and Gearing put up, and Gins repaired by a skilful Gin wright. G. W. TRUEHEART, jy28 3tawSmdaw Agent for Daniel Pratt.

Our Latest Improved

NEW SCALE PIANO-FORTE.

GROVESTEEN & CO.,

499 Broadway, N. Y.,

THESE instruments, after the most flattering testimonials from the first Pianists in the country, who, at our solicitation, have tested them in the severest manner *possible*, have been pronounced THE FINEST SQUARE PIANO-FORTE MADE IN THE WORLD.

It has always been our policy, during the *thirty-one* years that we have manufactured Pianos, *twelve thousand* of which are now in use in the United States and Europe, to give the most instrument at the cheapest price. Our superior facilities enable us to offer them from one to three hundred dollars less than any other First Class House.

The tone of these instruments are remarkable for their peculiar Sweetness and Great Brilliancy, never losing their quality when forced to their utmost capacity. The lower register retaining its positiveness, does not destroy the middle and upper registers by mingling with them in disagreeable confusion, but refined beauty of tone being equally delightful to the unpracticed and to the most cultivated ear.

They are also entirely new style, finished in the most superb manner, *with over 1st round corners front and back*, heavily carved legs and lyre serpentine fancy mouldings, and each instrument is fully warranted for five years. sep6 d&wly

BURGLAR KILLED.

At ten minutes to twelve o'clock last night, as a negro burglar, name unknown, was attempting an entrance into the shop of Daniel Garibaldi, No. 97 Jefferson street, Mr. Garibaldi shot him in the head and instantly killed him. The same man made an attempt to enter Mr. Garibaldi's house about a week ago.

THANKS to Bob Wardlow and his band for a serenade last night.

THE HOWARD ASSOCIATION have a meeting this evening, for the installation of officers. See their card.

THE WEATHER.—The heat and dust of the past two days were most agreeably laid yesterday, by a fine shower, about 1 o'clock.

REV. DR. WM. J. BARBEE, of Mississippi, formerly of Memphis, is in the city, and will preach at the Linden street Christian Church, to-morrow (Sunday) at 11 a.m. and 7 p.m.

ADVERTISERS wishing to avail themselves of the benefits of the large extra edition always printed of the SUNDAY APPEAL, are requested to hand in their favors as early in the evening as possible, and not later than 8 o'clock.

ACCIDENTAL SHOOTING.—A young man, whose name we suppress by request, got into an altercation with a negro, yesterday afternoon, on the corner of Fourth and Poplar streets, during which he drew a revolver. By some unexplained means, all six chambers exploded at once, and tore his left hand off at the wrist.

THE FIGHTING MEN of the late C. S. A. are earnestly and urgently requested to be present at the Greenlaw Opera House to-night. Let us show the people that we who bore the hardships and did the fighting, in the late war, are now for peace. Every man who was in the field should be present, if possible.

HUNG BY THE KUKLUX.—The Radical evening paper has the following. The whelp who wrote it knew he was lying when he did so:

We learn that a colored man was hung up by the neck by the Kuklux at Mason's depot. His crime was attending the Brownsville convention.

SAD ACCIDENT.—As one of the large wagons of the Nicholson pavement contractors was turning the corner of St. Martin and Linden streets, laden with blocks, yesterday, about half-past one o'clock, a little negro boy, whose name we could not learn, fell off the seat, and the wheels passed over one of his ankles, crushing it most horribly.

INTERESTING CEREMONY.—St. Peter's Church will be the scene to-morrow morning of a very interesting and beautiful ceremony—seven young ladies of St. Agnes will receive the habit of the Dominican Sisterhood. The services will commence at ten o'clock, or a half hour after the usual time of high mass, and before the ceremony, conducted by the very Rev. will be assisted by Father Kelly, assisted by Father Father Keogh and Lynch. O'Brien, Fortune and

COMMISSION FIRM.—Messrs. Dashiell & Hilliard, 296 Front street, commission merchants, are in the field for the commencing business campaign. Mr. E. Dashiell, the senior member of the firm, is one of the oldest and most reliable attends to this merchants, and always his part business on the square; while ner, Mr. Hilliard, is prompt, active and more worthy to be associated with his experienced partner.

A HIDEOUS SPECTACLE.—On the river banks, between Vance and Butler streets, half buried in the mud and ooze, are three open boxes, each containing a ghostly, grinning human skeleton, from whose bones the flesh has not rotted. We understand they are the remains of three young men, whose bodies were buried there at least a year ago, during the low water. Last winter's freshet washed the earth away from them, and there they lay, in all the disgusting hideousness of putrifying humanity. Will the authorities have them buried? It should be done—and done quickly.

A LULL.—Thank Heaven! there reigned comparative quiet in Warsaw yesterday. The storm of drums, trumpets, and all other varieties of sonorous metal, which for weeks past has raged with an unexampled fury, blew itself out day before yesterday—the last dying toot coming from the nigger Masonic procession. Yesterday was remarkable as the most quiet that the city has enjoyed for weeks—there having been not even a meeting of the Board of Aldermen to attract the attention of the item hunters.

THE IRREPRESSIBLE CONFLICT.—Every day we hear from citizens who live in the suburbs of the drilling of armed squads of negroes at night. Again we warn the black-hearted scoundrels who are deluding and leading the ignorant negroes into what will surely result in their extermination if they commence it, to desist from their infamous work. They had better heed the warning; the people are in no humor to be trifled with. If trouble does ensue here, it will be far better for them had they never been born.

PERSONAL.

—We regret to learn that Mr. Josiah B. Hobday, the accomplished flutist and musician, is about to leave our city for St. Louis. We hope that he may better his fortune by the change, but are sorry to give up the pleasure of listening to his sweet music.

—Mr. Wm. Gay returned yesterday from a trip North, where he has been laying in a mammoth stock of plantation supplies, which are now being opened at his new store, No. 310 Front street. We are indebted to him for late Northern files.

THE CAMPAIGN.

McNairy Wheels into Line.

Meeting at Purdy on the Third Instant.

On Monday the 3d day of August, 1868, according to previous arrangements, there was a meeting of the Democracy of McNairy county at the courthouse, in the town of Purdy, for the purpose of ratifying the action of the National Democratic Convention at New York, and for the purpose of appointing delegates to the District Convention at Brownsville.

The house being densely crowded with the intelligent yeomanry of the county who were anxious to take some part in the great work of reformation going on all over the State, on motion, J. F. Huddleston, Esq., was called to the chair, and James W. Pace, Esq., chosen Secretary. The Chairman delivered a forcible and eloquent address upon the issues now pending before the country, which was listened to with marked interest and attention, at the conclusion of which the following resolutions were presented and unanimously adopted.

Resolved, That the Democracy of McNairy county, do most emphatically indorse the action of the National Convention, in the nomination of Horatio Seymour for President and Frank P. Blair for Vice President, and pledge themselves to the support of the platform of principles adopted by said Convention.

Resolved, That the Democracy of this county do most earnestly pledge themselves to the maintenance of peace and good order, and to the hearty support of the civil officers in the faithful execution of the laws, and we regard any act tending toward the organization of a military force to be stationed in this county as unjust, unwarrantable and unpardonable by the great mass of the people.

Resolved, That the removal of political disabilities from the white men of this State, is earnestly recommended to the Legislature now in session.

Resolved, That entertaining the highest regard for the patriotism and ability of our fellow-citizen J. F. Huddleston, Esq., we recommend him to the favorable consideration of our brethren at Brownsville as a fit and well qualified candidate for Congress in this district, and we also recommend S. L. Warren, Esq., of Memphis, as the Elector for the District.

The following named gentlemen were appointed Delegates: J. F. Huddleston, J. W. Pace and Wm. McCullar, and in case they fail to attend the Convention S. L. Warren is requested and empowered to cast the vote for this county.

Resolved, That a copy of the proceedings of this meeting be furnished the APPEAL and *Avalanche* of Memphis, for publication. The Convention then adjourned *sine die*.

J. F. HUDDLESTON, Chm'n.
J. W. PACE, Sec.

ST. AGNES ACADEMY.—By an advertisement in another column, it will be seen that the Sisters who are in charge of this institute have determined to extend the advantages of their unequaled system of education to a class that have hitherto been to a certain extent debarred of it, and at the ensuing session, which commences on the first Monday in September, they will receive day scholars. Those who have paid any attention at all to the educational institutions of our city, will bear us out in our assertion that the system of the Sisters of the order of St. Dominic, as carried out and exemplified in the various schools and seminaries in our midst, which are under their charge (such, for instance, as St. Agnes and La Salette), stands unrivaled. We had the pleasure some time since of being shown through the grounds and buildings of St. Agnes, and came away impressed with the thought that if there were a paradise on earth, where true happiness might be obtained and enjoyed, it was there, in the peace and quiet of its beautiful shades.

TRIBUTE OF RESPECT.—At a called meeting of the Bluff City Base Ball Club, we, the undersigned committee, appointed to draft resolutions expressive of our regrets upon the death of our worthy member, Thomas Kinna, adopted the following resolutions:

WHEREAS, It has pleased Divine Providence to remove from among us our friend and fellow-member, Thos. Kinna, be it

Resolved, That we deeply sympathise with his family in the bitter loss they have sustained.

Resolved, That in token of our regret at his death we wear the usual badge of mourning for thirty days, and engage in no match game of ball for the same period.

Resolved, That this tribute of respect be spread upon the minutes and published in the daily *Ledger* and APPEAL, and a copy of the same be sent to his bereaved family, as a token of our respect for our worthy member.

THOS. H. BURKE,

THE Committee appointed to make arrangements with the railroad for conveying delegates to and from the Brownsville Convention, would state that delegates can leave Memphis on regular train on the 10th, at 7 o'clock a.m., reaching Brownsville at 10 a.m. A special train will then be provided to return, leaving Brownsville at 5:30 p.m., the same day, charging half fare for round trip.

SHOOTING AFFRAY.

Another Probable Tragedy.

Two men named McKinna and Johnson, builders, have been for some time past engaged in building a house on Dunlap street, near the head of Adams. Some ill feeling was caused between them a few days ago by a matter of business, and this resulted in a violent quarrel yesterday morning, at the new building. McKinna left the building and returned about one o'clock armed with a small Smith & Wesson's repeater, with which he attacked Johnson, firing one shot at him, without effect, however. Johnson retreated and armed himself with a double barreled shotgun, and when McKinna again attempted to attack him fired on him, felling him to the earth and completely plastering him with buckshot—no less than twenty having struck him.

Dr. Keller was called in, and the wounds examined. Strange to say none of them are considered necessarily fatal, or even dangerous; though with the present warm weather a very slight wound may produce death. No arrest was made up to six o'clock p.m.

MEETING OF THE CONSERVATIVE CLUB OF COLORED MEN OF THE FOURTH WARD AT STILLMAN HALL. A large and enthusiastic meeting of colored men was held at the Stillman Hall last night. Some three hundred colored men were present. Mr. John F. Harris, the colored Conservative orator, delivered a splendid speech of over two hours' duration, exciting the utmost enthusiasm in his audience. He was followed by Marengo Johnson in a good speech, full of sound advice to the colored men. Loud calls were made for Gen. Forrest, who appeared and made a forcible address, informing the colored men who were their best friends, and of the designs of the Radicals to plunge the country into a war of races. He informed them that the Southern man was the true friend of the black race, and if the scalawags got them into trouble the black man would have to do the fighting, while the scalawag ran away, as usual. He advised them not to be seduced into joining Loyal Leagues, or other secret societies, but to go to work and become industrious, and vote the Democratic ticket. When the white people become free, through the aid of the colored man, then all would be at peace, and the Conservative man would protect them in all their rights. He would protect them, and every honest Southern man would do likewise. Gen Forrest spoke about an hour, and was loudly applauded. Several other speeches were made during the evening. Bob Wardlow's brass band discoursed sweet music, playing all the national airs. The Colored Conservative Club may be put down as a success.

THE COURTS.

CRIMINAL COURT—*Wm. Hunter, Judge.*—On yesterday the following business was transacted:

In the case of the State vs. Charles Henderson, indictment for larceny, a *nol. pros.* was entered by the Attorney-General.

In the case of the State vs. Joseph Harris, larceny, the indictment was abated, the defendant having died in jail.

In the case of the State vs. Richard Maher, found guilty a few days since of assault and battery, and fined fifty dollars, the defendant was discharged from jail, he having taken the insolvency or pauper's oath, which, under the statute, acts as a release.

In the case of the State vs. Lewis Crose, indictment for house-breaking, the argument was concluded last evening. The jury found the defendant "guilty," and fixed the period of imprisonment at ten years in the penitentiary.

To-day motions for new trials, and in arrest of judgment, will be heard. Judge Hunter will render his decision on the motion for new trial in the case of the State vs. Sam Moody et al., and in the case of the State vs. John Cosgrove, all of whom were recently convicted of murder in the first degree. A decision will probably be given in the case of the State vs. P. D. Beecher, indictment for embezzlement, on motion to quash the indictment.

The following calendar of cases will be tried next week:

71 The State vs A. Marre, murder.
77 The same vs Jerre Wood, murder.

MEMPHIS, TENN., July 20, 1868.

Messrs. W. B. Wiggs & Co.:

Gentlemen: For several years I was troubled more or less with a disease, for which complaint I was treated by the best physicians to no purpose; indeed, I gradually became worse, until at last began to despair of relief from any source. While in this condition I was recommended to try your Buckeye Salve. Making up my mind to try it, I am now happy to say that it had the desired effect, as I am now well and hearty, for which I am indebted to your wonderful remedy. Yours, truly,

F. L. WARNER.

Upon receipt of $1 00 a bottle of this Salve will be mailed, free of postage.

WANTED, 100 gentlemen day boarders at the Southern Hotel. au1 tf

FINANCIAL AND COMMERCIAL.

OFFICE OF THE DAILY APPEAL,
MEMPHIS, August 7, 1868.

The banks report money easy to-day with no diminution in the business call for loans, both on collaterals and good mercantile paper. Nearly all our moneyed institutions are doing a little in the way of loans, and it is hoped that the worst of the season has gone by. From the country the reports which reach us are generally favorable. A letter from Pine Bluff to the mercantile agency of R. G. Dunn & Co., of this city, is but the counterpart of several others received by us and others from various sections. The letter says: "For ten years there has not been more auspicious prospects for a very large crop in Arkansas than this fall promises. The consequences of this is, that there will be more money here than there has been at any time since the war. The farmers will be enabled to pay up their indebtedness to the merchants, and they will be rather flush early in the season."

Balances show some improvement over last month, and collections were better than anticipated. The demand for exchange is improving, while the offerings remain light. The buying rate on New York is steady at par to ⅛ premium, while there is some variation in the checking rates, which are 3 10@⅛c premium. Selling on New Orleans, St. Louis, Nashville, Louisville and Cincinnati at ⅛ premium.

Bonds and stocks are nominal. The demand for money for business purposes has caused some diminution in the demand for securities of all kinds, and we could learn of no sales to report. City bonds were offered at 52c without buyers.

Gold opened in New York at 148⅛ and closed at 147⅛c. We quote at 145@146c buying. Selling at 147c.

The New York stock exchange quotations at noon to-day were as follows: Coupons of '81, 15½; do '62, 14½; do '64, 10½; do '65, none; do new issue, 8½; do '67, 8½; 10-40s, 9½; 7-30s, both series, none; Government bonds, steady; old Tennessees, —; new, not quoted; gold loans, 3½; sterling exchange has declined 10@10½.

City scrip is dull, there being no demand. Brokers are generally indifferent, having, we presume, enough of scrip and ledger balances on hand to supply the wants of applicants. We quote at 70@72c buying. Selling at 76@80c.

There is a better demand for Police scrip. The taxes on privileges are falling due in many cases. Holders ask 72c to-day, while brokers will not sell under 75c.

County warrants are in moderate demand at 50@54c. Selling at 55@58c.

The Liverpool cotton market to-day was steady at the opening; Uplands, 9⅞@9¼; Orleans, 9⅞@10, and closed steady at unchanged quotations. Sales, 10,000 bales; week's sales, 68,000 bales; for export, 11,000, and to speculators 8000; stock, 581,000 bales, of which 269,000 is American; afloat, 703,000 bales, of which 8000 is American.

The New York market opened dull and nominal; Middlings, 29c; other grades unchanged and closed dull at same quotations.

A sale of 8 bales occurred in this market. The list ran about strict Low Middlings and was taken at 27c. Two bales of batting cotton was also sold at 20c. The stock yet unsold will not reach ten bales.

MISCELLANEOUS.

Capt. John B Davis, alive to the wants of his patrons on White river, and in Arkansas generally, has purchased the splendid side-wheel passenger packet, Mayflower, for the Memphis and White River Packet Company, and will have her here in a few days to enter the trade in place of the "Old Reliable." To Capt. Davis, Memphis, as well as the people of Arkansas, are indebted for now having two of the finest packets leaving this port. The Mayflower is a new boat, built last season, thoroughly fitted out in every respect, and has been purchased at a cost of $40,000. Capt. Davis has also bought the little packet, E. W. Brooks, now running in upper White river, and will, after giving her a thorough overhauling, continue her in the upper White, Black and Little Red river trade, in connection with his line of large steamers. The price paid for the latter boat was $4000.

The gay and elegant steamer, City of Alton, Capt. Wm. Thompson, backs out at her regular hour to-day for Cairo and St. Louis. It is not necessary for us to commend Capt. Bill to travelers. He has a reputation as long as the Mississippi, and stretches out as far as its longest tributary. Mr. Jim. White is Clerk of the Alton.

The Mary Forsyth, which now belongs to the Packet Company, enters the St. Louis and Memphis trade, leaving here on Tuesday next. This gives four boats per week in the line instead of three.

The fine U. S. mail steamer Julia, Capt. Lockhart, will pass down for Vicksburg and the bends to-day at noon. She lands at the Star wharf boat.

The Mollie Able passes down for New Orleans to-day.

The Rubicon passed up ahead of time yesterday. She had a fine trip.

The fine U. S. mail packet Liberty, Capt. Jim Rice, backs out to-day for White river. She connects with the railroad at Duvall's Bluff. The Liberty is one of the regulators of White river time, and Milt Harry, her chief purser, is one of the boys. Charley Sharpe is mud clerk.

POPULAR WORKS ON FREEMASONRY

PUBLISHED BY THE

—AND—

MANUFACTURING COMPANY

432 Broome Street, New York.

LITURGY OF THE ANCIENT AND ACCEPTED Scottish Rite of Freemasonry, for the Southern Jurisdiction of the United States. By Albert Pike, 33d, Sov. Grand Commander. 8vo. "Splendidly illustrated with Chromo-lithographic plates and numerous wood engravings, Part I, 4th to 14th degree, $8 00.

☞ It would perhaps seem unnecessary after giving the above title-page to say anything further in the way of recommendation. The name of the author should of itself be a sufficient guarantee of its worth. Ill. Bro. Pike, by his learning and contributions, has placed himself at the head of the standard of Masonic literature and extend a knowledge of its symbolism, ethics and history as any other living man. This book, in its material appearance, may justly be considered a master-piece, embracing matter not only useful to the Masonic student of every grade, but to men of science in the highest literary field of the present age. Notwithstanding this book has been preceded by several of a similar character, yet to Bro. Pike alone is due the honor of first exploring this branch of Masonic literature and of opening to the admiration of the Craft the treasure house of knowledge and beauty. This work contains the degrees of the Ancient and Accepted Rite from the fourth to the fourteenth inclusive, is elegantly illustrated with chromo-lithograph engravings, showing all the jewels, costume, furniture, etc., belonging to each degree. No expense has been spared in getting it up, and it is without doubt the most elegant, as well as one of the most useful books, ever offered to the Fraternity.

Published and for sale by the Masonic Publishing and Manufacturing Company, 432 Broome street, New York, and Booksellers generally in the United States.

☞ Copies of the above for the Memphis Brethren are ready for delivery at the Editorial Rooms of the APPEAL. 14 Jefferson street, up-stairs. 1w jan29

Our Latest Improved NEW SCALE PIANO-FORTE.

GROVESTEEN & CO., *499 Broadway, N. Y.,*

THESE instruments, after the most flattering testimonials from the first artists in the country, who, at our solicitation, have tested them in the severest manner *possible*, have been pronounced THE FINEST SQUARE PIANO-FORTE MADE IN THE WORLD.

It has always been our policy, during the *thirty-six* years that we have manufactured Pianos, to offer *thousand* of which are now in use in the United States and Europe, to give the finest instrument at the lowest cost. Our superior facilities enable us to offer one to three hundred dollars less than any other First Class House.

The tone of these instruments are remarkable for their peculiar Sweetness and Great Brilliancy, never losing their quality when forced to their utmost capacity. The lower register retaining its positiveness, does not destroy the middle and upper registers by mingling with them in disagreeable confusion, the refined beauty of tone being equally delightful to the unpracticed and to the most cultivated ear.

They are an entirely new style of Piano, finished in the most superb manner, with *four full round corners front and back*, heavily carved legs and Lyre Serpentine Base richly moulded, and each instrument is fully warranted five years.
